PRESS NOTE

Hitachi Astemo Successfully Conducts Off-Campus Placement Drive at GP Madhubani

26th February 2025 – The Training and Placement Cell of Government Polytechnic (GP) Madhubani successfully organized an off-campus recruitment drive for Hitachi Astemo, offering a significant career opportunity for students from Mechanical, Electrical, and Electronics Engineering.

The placement drive began with a pre-placement talk conducted by Mr. Kumar Dheeraj (HR, Hitachi Astemo) in the COE Lab, where students gained valuable insights into the company's work culture, expectations, and career growth opportunities. A total of 146 students participated in the recruitment process with great enthusiasm.

Following the initial selection, Mr. Gurudeep and other members of the recruitment team conducted the final round of interviews in online mode at the TPO Office on 26th February 2025. After a thorough evaluation, 66 students successfully advanced to the final round of interviews.

The final selection list is currently being processed, and the students who have secured job offers will soon receive their offer letters via email. The recruitment process, which started at 11:00 AM and concluded by 6:00 PM, was executed efficiently under the leadership of TPOs Kumari Shambhavi and Ashish Kumar Jha, along with the support of the Electronics Department HOD Tasgheer Ehsan . Their collective efforts ensured a smooth and well-organized hiring process.

The event also saw the active involvement of Principal Shambhoo Kant Jha, who monitored the proceedings and extended his best wishes to the students. Faculty members, lab instructor Satish kumar & other staff were elated to witness the students of GP Madhubani securing opportunities with a reputed company like Hitachi Astemo.

With the offer letters set to be delivered soon, the institution remains optimistic about the students' bright future and wishes them great success in their professional journey ahead.
